EXPECTATIONS

(for both us and you)

- Actively participating in the club's efforts 100/100
 - Consistently pulling up to meetings inside and outside of school
 - Displaying growth from lessons, self-incentivised learning
 - Reminder: student-ran, less resources and time, autodidactic
- Communicating needs with peers and board members 💬🔥
 - Don't be afraid to ask questions!

GOALS

(for both us and you)

- At least participate in one competition each semester per chosen interests, with active communication between team and board members
- Show development through interpersonal skills, autodidacticism, self-motivated projects and research skills

CYBERSECURITY & GAME DESIGN

- Sophomore year: **FINALISTS** in National Cybersecurity “Capture the Flag” Competition
- Also sophomore year: **2ND PLACE** in Video Game Design but they put us in the wrong school!!!

Nov 22, 2021 · 7 Rossiu Turns His Back On Simon (Tengen Toppa Gurren Lagann) When fans first meet Rossiu in the first half of Tengen Toppa Gurren Lagann, he is good-natured and kind. Though not as physically strong as other members of Team Dai Gurren, he is highly intelligent and does everything possible to help his comrades.
